CRJSA
Proposals for Term II, 2012

1) The following is proposed for Term II Rostering of all games……..

…given the upper age team-nominations trending toward entering the City competition for Term 1 the CRJSA propose a Term II roster that is structured as follows:

- The Under 6 through Under 9 age groups = teams enter the City Competition or the Southern Competition

(Note that the CRJSA <u>may</u> need exercise some dispensation with respect to girls and girl teams in the U6 - U9 rosters. Dispensation is defined as 'CRJSA doing its best to make the roster "work" as well as possible for the Term II 2012 period'.

- The Under 10 through Under 12 age groups = to be a City competition only. (No male v female games – however, a girl/s may play "same age or up" in a boys' team to make up the numbers).

2) It is proposed that a ground audit be conducted by the CRJSA.

The objectives for the audit are:

- To seek to improve the playing surface of grounds.

(CRJSA would pool the audit information + assess it, then approach the Councils lobbying for improvements for facilities that may need upgrading.)

- To help to ensure that the ground dimensions correspond with FFA small sided rules & regulations. i.e., Field dimensions, Goal dimensions.

An audit document will be circulated in June 2012 to those people that are able to assist in the audit process.

3) It is proposed that the CRJSA investigate a consolidated teams-nomination form. It may be implemented for Term II 2012.
